FOR IMMEDIATE MEDIA RELEASE

“Keeping the Dream Alive” Benefit Dinner & Auction

The Tulelake-Butte Valley Fair held the first annual “Keeping the Dream Alive” Benefit Dinner & Auction on Saturday, July 9th at the Tulelake-Butte Valley Fairgrounds. The event attracted a “sold-out” attendance of over 550 people from Chiloquin, Dorris, Klamath Falls, Malin, Merrill, Tulelake and Yreka. The support from the entire Klamath Basin was overwhelming as the event grossed nearly \$46,000, which will significantly help to improve the sustainability of the fairgrounds. The event was organized by a group of individuals from the fair staff, the fair board, friends of the fair organization and numerous volunteers from the local communities. The Tulelake-Butte Valley Fair would like to thank the numerous volunteers who helped organize the event, the fair supporters who attended the fundraising event and the sponsors who donated items for the auction, all of which helped make the “Keeping the Dream Alive” Benefit Dinner & Auction a great success.
